

REMARKS/ARGUMENTS

Applicant notes with appreciation the indication of allowability of Claims 1-14. By this amendment, rejected Claims 15, 16, 18 and 19 have been cancelled.

Applicant notes in the Conclusion that the summary states "Claims 1-14 are allowed. Claims 15-16 & 1-19 are rejected." Applicant assumes that the "1" in the last sentence of the foregoing quote should have been 18.

In view of the foregoing amendments and remarks, it is respectfully submitted that Claims 1-14 are in condition for allowance, which is hereby earnestly solicited and respectfully requested.

Respectfully submitted,

/C. James Bushman/
